Pinewood Enters into Long-term Contract with Disney

Pinewood has entered into a long-term agreement with The Walt Disney Company Limited. The arrangement will see Disney take all the stages, backlots and other production accommodation at Pinewood Studios in Buckinghamshire.

Paul Golding, Chairman of Pinewood Group Limited, said: "It's wonderful to have Disney here at Pinewood. They've been making great films with us for many years and the fact they want to shoot so many more here is testimony not only to the quality of the teams and infrastructure at Pinewood, but also to the British film industry as a whole."
